

HP ZBook 17 G6

Serial Number: 211306000383

This report aims to provide an assessment of a used laptop with minor scratches. The purpose is to evaluate the condition of the device and inform potential buyers about its cosmetic imperfections.

LAPTOP DETAILS

Model: ZBook G6

Processor: i5

RAM: 32GB

Storage: 512GB SSD

Display: 15.6"

Operating System: Windows 10

CONDITION ASSESSMENT

The HP ZBook 17 laptop has been carefully inspected to assess its condition accurately.

The device exhibits a minor scratch and blemish on the edges and sides, but otherwise, the keypad, screen, and top cover are clean and free from any significant issues.

EXTERIOR EXAMINATION

Top Cover: The top cover is clean and free from scratches or blemishes.

Edges: A minor scratch and blemish are observed on the edges of the laptop. These imperfections are superficial and do not affect the functionality of the device.

Sides: Similarly, the sides of the laptop are in excellent condition with no visible issues.

Bottom Panel: Similarly, minor blemishes are noticed on the sides of the laptop. These blemishes are cosmetic and do not impact the performance of the laptop.

INTERNAL COMPONENTS

Keyboard: The keypad is intact and all keys are functioning properly.

Touchpad: The touchpad shows minimal signs of use and operates smoothly without any issues.

Screen: The screen is clean and free from scratches, smudges, or blemishes.

Ports and Connectors: All ports and connectors have been inspected and found to be in optimal working condition.

Conclusion:

The HP ZBook 17 G6 (211306000383) Laptop is in good overall condition, with minor scratches and blemishes on the edges and sides. Despite these cosmetic imperfections, the device remains fully functional and ready for use.

Recommendation:

We recommend the HP ZBook 17 G6 (211306000383) Laptop for individuals who prioritize performance over minor cosmetic blemishes. With its robust specifications and reliable performance, this laptop offers exceptional value for users in need of a powerful computing solution.

Note:

This inspection report is based on a thorough visual examination conducted by our certified technicians. While every effort has been made to provide an accurate assessment, prospective buyers are encouraged to conduct their inspection or request additional information to ensure complete satisfaction with their purchase decision.
